HELP RAISE FUNDS FOR **Walk 5K for Caitlin** AT NO COST TO YOU!

Open a new account* and MidAmerica Bank will make a donation to the organization.

Additionally, all account holders will continue to earn much-needed funds for the organization on an on-going basis. We will contribute to the organization an amount equal to a percentage of the total interest earned and paid annually on every account designated for the group. ***Please note: The matching percentage contribution does not affect the amount of interest earned by the account holder. Individual account information will not be shared with anyone; only the names linked to the organization will be released to the organization. As always, account information remains confidential between the customer and the bank.***
